ACT! FOR DUMMIES

BY BEA GARCIA

bgarcia@herald.com

Boca Raton-based author and consultant **Karen Fredericks** has completed *ACT! 2005*, her second book for Wiley Publishing's "For Dummies" series.

It is Fredericks' second book on the popular contact management software and should hit bookstores in early September. Her first book, *ACT! 6 for Dummies*, sold 40,000 copies.

Fredericks is a certified ACT! consultant and trainer. Her company, **Tech Benders**, provides IT consulting and training.
